

Lead With *Personal Power*

YOUR VOICE • YOUR PURPOSE • YOUR LIFE

"Lori **facilitated a multi-cultural relationship** between two schools on different continents with **diverse cultures**. Her ability to communicate supported our school leadership to **maintain healthy relationships** that **build community** and **academic success**."

- Marth Mukasa, Head of School
Brain Tree Nursery & Primary School
Kyanja (Uganda)

"Lori is a **gifted, passionate and inspiring speaker**. She left the **audience hushed and speechless** when addressing 850 students, 200 teachers, and 100 parents. Her **passion for cultivating healthy relationships** among all of humankind fills hearts and minds."

- Dr Usha Balamore, Shipley School
Assistant Head of Lower School
Director of Character Education

"I was so lucky to have Lori present to Neumann University. Her **authenticity, passion... knowledge base, and ability to connect with her audience...** constituents left with a well-grounded idea of how mindfulness benefits them... and how it extends beyond... to **healthy interpersonal relationships**."

- Stephanie E. Fortunato, Asst Dir of Alumni Relations,
Neumann Univ.

When women in leadership lead with personal power their projects, their teams, their businesses – and their lives and the world - benefit.

Lori works with women leaders to develop personal mastery in order to maximize connection, fulfillment, and growth in both their personal and professional lives.
